I believe in the process of iterative, human-centered design to create intuitive, meaningful solutions with a focus on user goals while maintaining business goals.

## Education

**BS Interactive Design** | Kennesaw State University August 2015 - May 2020

Minor in Technical Communication

Led and contributed to experimental projects utilizing various UX design processes involving user research, modeling, wireframes, prototyping, interaction, and user testing to design human-centered, data-driven solutions.

## Experience

**Photographer** | Freelance August 2018 - Present

- Collaborate with local and national brands to produce product photography for web content and advertising material.
- Photograph portraits and headshots in addition to events including engagement sessions and wedding ceremonies.

**Sales Associate** | FedEx Office July 2016 - March 2019

- Worked alongside a small team to assist guests with their shipping needs.
- Collaborated with guests to evaluate and produce their printing needs and design any pre-press requirements.
- Counted, verified, and reconciled daily cash sales.
- Performed opening and closing procedures according to company policy.
- Trained team members for the Atlanta district.

**Print Specialist & Sales Associate** | OfficeMax August 2014 - July 2015

- Worked alongside a team to consult with customers to find the best print solution to their problems.
- Assisted the Tech Sales Team to deliver information and produce sales of technology products and services to raise sales to top 10 in the nation.
- Greet and assisted guests in giving product knowledge.
